

Maths Blocks

	Year 3	Year 4	Year 5	Year 6
Block A	<ul style="list-style-type: none"> Using and applying number and place Value Addition and subtraction Measurement Statistics 	<ul style="list-style-type: none"> Using and applying number and place Value Addition and subtraction Measurement Geometry: Properties of Shapes 	<ul style="list-style-type: none"> Using and applying number and place Value Addition and subtraction Measurement Geometry: 	<ul style="list-style-type: none"> Using and applying number and place Value Addition and subtraction Multiplication and division
Block B	<ul style="list-style-type: none"> Using and applying number and place Value Multiplication and division Fractions (inc decimals) Geometry: Properties of shapes Measures 	<ul style="list-style-type: none"> Using and applying number and place Value Multiplication and division Fractions, decimals and percentages Statistics 	<ul style="list-style-type: none"> Using and applying number and place Value Multiplication and division Fractions, decimals and percentages Statistics 	<ul style="list-style-type: none"> Using and applying number and place Value Addition and subtraction Multiplication and division Fractions, decimals and percentages Algebra

Block C	<ul style="list-style-type: none"> • Using and applying number and place Value • Addition and subtraction • Measurement • Statistics 	<ul style="list-style-type: none"> • Using and applying number and place Value • Addition and subtraction • Measurement • Geometry: Properties of Shapes 	<ul style="list-style-type: none"> • Using and applying number and place Value • Addition and subtraction • Measurement • Geometry: Properties of Shapes 	<p>Autumn & Spring only Post SATs</p> <ul style="list-style-type: none"> • Addition/subtraction • Multiplication/division • Measures • Algebra <p>Y6/Y7 Unit sof work</p>
Block D	<ul style="list-style-type: none"> • Using and applying number and place Value • Multiplication and division • Fractions (inc decimals) • Geometry: Properties of shapes • Measures 	<ul style="list-style-type: none"> • Using and applying number and place Value • Multiplication and division • Fractions, decimals and percentages • Statistics 	<ul style="list-style-type: none"> • Using and applying number and Place value • Multiplication/ division • Geometry • Measurement 	<p>Autumn & Spring only Post SATs</p> <ul style="list-style-type: none"> • Addition/subtraction • Multiplication/division • Measures • Algebra <p>Y6/Y7 Unit sof work</p>

Each block would be taught over 3 weeks or 15 lessons. Each of the 4 Blocks (A, B, C, D) are repeated each term.

In one week, maths lessons would take the form of: 4 number lessons and 1 lesson on shape and space.
