## School Milk

We are continuing the milk scheme in the Autumn term and will offer semi-skimmed milk at lunchtime at a cost of 70p per week; payment must be made in advance for the term. The cost will be £9.80 (from 10<sup>th</sup> September– 21<sup>st</sup> December). Any children who are entitled to free school meals will be able to have free milk.

To be able to cater for this, we will need to know how many children wish to have daily milk and will commit to having milk for the whole of the term. Please complete the reply slip below if your child would like to have milk daily for the term and return together with payment of £9.80 (cheque payable to HCC or the correct cash) or confirm your child receives free school meals. Please return slip and payment by Monday 10<sup>th</sup> September.

Yours sincerely
