

Anstey Junior School Bunting Template

Help Anstey junior school make a new bunting

Please use the pattern below for size of individual pennants.

INSTRUCTIONS:

Cut out template supplied around the dotted outline

Pin the template onto the wrong side of fabric, draw around and cut out the triangle. Repeat You will need 2 triangles per bunting pennant .

Place the 2 triangles right side of the fabric together, pin and sew the two long sides along the sewing line as shown on the template.(Do not sew the short side)

Turn the pennant right side out and use a pointed tool (but not too sharp) to push into the very tip , corner of the fabric.

Then press with an iron. Do not worry if you do not have a sewing machine , please hand sew.
