

Scopay no longer available to users of Windows XP or Windows Vista

As you may be aware, changes are being made by credit card companies such as WorldPay to improve the security of their systems. As a result, any parents using Windows XP or Windows Vista will no longer be able to use Tucasi Online Payments.

Why is this happening?

This change is being enforced by the PCI DSS (Payment Card Industry Data Security Standard). From the 30th June 2018, all websites that accept card payments will no longer allow users of Windows XP and Windows Vista to use their websites. WorldPay are implementing this change on **30th April 2018**.

This change is outside of Tucasi's control and is not limited to Tucasi Online Payments.
